

## Recreation Committee Meeting Minutes - January 20, 2015

Meeting began at 6:30pm

Those in attendance: Chelsea Martin, Brent Kidder, Mike Raboin, Kim Danforth

### 1. Discuss recruiting new members

- \*town newsletters
- \*baseball (notice to parents at end of April)
- \*handout at town meeting or a flyer in each chair

### 2. Business to discuss

- a. Need to determine process of adding the annual mowing cost into the town budget rather than fundraising for mowing of the field each year.
- b. Rec Committee awareness to recruit as well as involve more parents and townspeople at events. This will be accomplished by meeting in February to finalize a flyer to hand out or place on chairs during town meeting. Also, determine next event to add to the flyer. We will have collection cans at town meeting if permitted.
- c. Help during events. Brent is able to help with most dinners, with exception of Hunters' Breakfast.
- d. Current checkbook balance \$1866.37. We discussed installing a double swing at the ball field. Mike Raboni will gather information for our next meeting.
- e. Work at the field. Immediate spring work....need flooring in each of the dugouts and the base lines need to be run again, as they have grown grass.
- f. Question...who would the committee need to reach out to at the school for Rec Committee members and participation with flyers, etc???
