 - c. Review tasks!

Priority Pre-Meeting Task for Core Planning Team:

- **All:** Review [Work Sheet 1 Column Community Stakeholders](#)- who might you be willing to contact/follow-up with regarding the general draft? Do you think anyone should be consulted for specific sections?
- **Sheila and John:** please review [Transportation Resilience Planning Tool](#) and identify possible projects in Orange.
- **Angela and Lee:** please review the follow upcoming opportunities and consider which town projects might be useful to include in the LHMP mitigation actions! ([sample of successful mitigation projects in VT communities according to VEM here](#))
 - [Building Resilient Infrastructure and Communities \(BRIC\)](#)
 - next deadline December 9, 2022
 - [Local Emergency Management and Emergency Operations Center Enhancement Grant](#)
 - including shelters, warming, and cooling centers, etc.
 - deadline Nov 15th, 3pm
 - [Flood Resilient Communities Fund](#)
 - next deadline March 31, 2023
- Please take note of what days and how long you spend working on any aspect of this process! You may simply write this down and periodically update myself or Angela or you may track it here in the [In Kind Form](#).
