In attendance: CC Clark Agnew & CC Rod Coronado

The meeting was called to order at 4:34pm with the first matter of business being a budget discussion to affirm the cemetery commission's 2026 budget which was determined to be \$13,010.47 at our last meeting. The budget amount is based on the allocation of 2025 funds that we requested be rolled over into our 2026 budget. Together with the amount from 2025 plot sales (\$5,845.00) is our total anticipated 2026 budget.

The second item on agenda was Perpetual Care Fund deposits, which are traditionally the amount of plot sales from the previous year. This year in order to avoid additional transaction costs, the CC voted at our last meeting to not deposit 2025 plot sales, but instead use those funds for our 2026 budget only because the PCF had a positive gain that would normally be drawn from to create the CC budget. It was decided that should there be any overage, then the CC would draw additional funds from the PCF for any operating costs in 2026.

Upcoming burials were also discussed with two full burials currently planned for June 19th. It was decided that all three commissioners should be available to assist with the burials. In addition, commissioners will attend to annual maintenance, such as fallen tree limbs once the snow has melted completely at Brook haven and George St. cemeteries.

There was no other business to discuss, so with a motion from CC Coronado seconded by CC Agnew, the meeting was adjourned at 5:03pm.
